CENTER ANNOUNCEMENTS

WELCOME TO OUR NEW EXECUTIVE DIRECTOR

Kelly Waldrop, from Beaverdam, has joined The Montpelier Center as its new Executive Director. Kelly was most recently the Director Corporate and Foundation Relations at SPARC (School of Performing Arts in the Richmond Community) and the Marketing Director for The Freckled Flower Farm. She and her partner, Sara Mallo-ry, moved back from teaching in Taiwan two years ago and is thrilled to be reintroduced to the vibrant new community that has emerged in Central Virginia.

Kelly's passions include growing and arranging flowers, exploring the amazing expression of creativity through the arts, and experiencing new cultures and countries.

Kelly has a special connection with The Montpelier Center. Her grandparents and extended family graduated from Montpelier School, she grew up watching fireworks on the 4th of July and took dance lessons at The Center when she was younger. She is committed to ensuring that The Montpelier Center is known as a place where everyone is welcome and is a community hub for activities, events, and special programs designed for area neighbors of all ages!

Kelly has a BS in Elementary Education, an International MBA, and has done post-graduate work in intercultural studies and educational leadership. Kelly's excited to use her experience in education, development, marketing, and networking to lead The Montpelier Center and to connect with the community, local artists and business-owners, and educators.

THE POWER OF CHANGE GRANT

We are excited to announce that The Montpelier Center is the recent recipient of The Power of Change Grant, which gifted us \$10,000 to spearhead a Children's Theater here at The Center. We have invited Virginia Repertory Theater to help us start this program by having four of their traveling plays: *A Sick Day for Amos Magee*, *Stuart Little*, *The True Story of Pocahontas*, and *Have You Filled A Bucket Today—The Musical* performed at The Montpelier Center for Arts & Education in 2019! Be on the lookout for announcements regarding details with the dates and times!

We are extremely grateful to The Power of Change grant and look forward to building a children's theater in Western Hanover!

CAPITAL IMPROVEMENTS

With the \$100,000 matching grant funds from The Cabell Foundation that you helped The Montpelier Center match, we have been hard at work on capital improvements throughout the building! We have included exciting highlights in this issue of the newsletter, but you can also visit our website at <http://www.montpeliercenter.org/capital-improvements.html> for more in depth information and images of the improvements as they are completed!

HVAC SYSTEM

Out with the old and in with the NEW! The Montpelier Center's existing HVAC system was original to the renovations The Montpelier Center went through at its founding in the 1990s. James River Heating and Air Conditioning Co. has done a tremendous job replacing The Center's units and upgrading our HVAC to a much more modern and efficient system. We are thrilled to have this new system in place!

Old HVAC units being removed through the ballroom

BATHROOMS

Bathroom renovations are complete! The Montpelier Center has two sets of bathrooms, one on the east side and one on the west side. If you have visited these areas in the past, you may know that they were in need of some updates. The bathrooms were put in place when the building was originally renovated from its prior existence as the old Montpelier School back in 1990. Both bathrooms have now been fully updated and are open to the public!

IN OUR GALLERY

One Degree of Separation

Through November 4th, 2018

Landscape artists Coakley Brown, Jordan Flower, and Linda Hollett-Bazouzi will be on display through the start of November. These three Richmond based painters work in different mediums, and different styles but all focus primarily on landscapes. Jordan is a studio painter, whose work is so realistic it almost looks photographic. Coakley and Linda specialize in Plein Air painting, which is a 19th century style of painting where the artist takes their work outdoors and paints mostly on site. When viewing the exhibit make sure to take note of their texture, brush strokes, and subject matters as they are all uniquely theirs!

VOLUNTEER HAPPENINGS

Volunteers have been busy over the last few months at The Montpelier Center!! Our many capital improvement projects around the building could not have happened without their hard work. Volunteers have assisted with pre-demo work in the bathrooms and our Operations Committee has been vital to managing work throughout the building.

We have undertaken several clean-up and organization projects as well over the past season. Volunteers have helped us completely organize our kitchen supplies, clean up our conference room storage, and update filing in our office! The Center is looking great thanks to them!

If you attended any programs in the last several months, you likely saw volunteers running a check in table, serving drinks at a bar, taking photos, and more. Their hard work makes all of our events possible!

Volunteers have also helped with beautifying our lovely grounds! They have assisted with seasonal pruning and planting, repairs to our entrance ramp, and even placing engraved bricks in our Village Green walkway!

If you have volunteered before or are interested in joining us for the first time, please let us know! You can email the office at info@montpeliercenter.org, give us a call at (804) 883-7378, or stop by and see us in the office!

RECENT HAPPENINGS AT THE CENTER

MUSIC UNDER THE STARS

We had such a fun time at our Music Under the Stars concert series this summer! It was wonderful to celebrate our community with local music and time with all of our neighbors. And what a turnout it was, over 500 people attended these three shows!

We have a lot of people to thank for making this series so successful! Thank you to **The Windbags, East of Afton, and Double or Nothin'** for sharing their music with us!

Thank you to our incredible local sponsors. Thank you to **Aldred Family Dentistry** for sponsoring two of our concerts and to **Montpelier Family Chiropractor, M&M Auto, and C.T. Purcell, Inc** for their sponsorship of our third concert. Their support made these events possible, so give them a thank you when you see them!

Thank you also to our dedicated team of volunteers for their work in planning and working during these concerts! Their hard work made for three incredible nights of fun.

And thank you to all who attended Music Under the Stars in 2018! We look forward to continuing this series next summer in 2019!

From the President

Happy Fall Everyone!

The Montpelier Center for Arts & Education continues to thrive with activity as we head into the Fall and Winter.

This summer we hosted three Music Under the Stars events for our community and we would like to thank Aldred Family Dentistry for sponsoring two of these free events as well as M&M Napa Auto Parts, Montpelier Family Chiropractor and C.T. Purcell, Inc.

Our next History Returns Series is on November 13th at 7pm with a professional actor, Charles Wissinger, portraying Patrick Henry along with our second annual pie banking contest!

In September, we hosted the Pull for The Montpelier Center at Cavalier Rifle & Pistol Club. Professional instructors helped lead all levels of pistol and clay shooting. Special thanks to Ed Coleman for his generosity and instruction along with Henry Baskerville!

This Fall and Winter we continue with our classes that range from art to fitness classes. We will also host our first annual Barn Bash on November 3rd featuring a live performance by The Mullins Sisters. Also, mark your calendars for the Grand Illumination on December 4th followed by a visit from Santa Claus and the Holiday Market on December 8th! During this time, the art gallery will feature the 12th Annual Grand Local Holiday Show and Sale.

Capital Improvements are almost complete as the bathrooms were completed at the end of summer along with the HVAC replacement. We are finalizing the last major component which will include refurbishing the four sets of outside entry doors.

We were awarded a grant by Rappahannock Electric Cooperation's The Power of Change to fully fund our 2019 Theater Program with four live performances by the Virginia Repertory Theatre. We are excited about this wonderful opportunity for the community.

Last but not least, we welcomed in July 2018 Kelly Waldrop as our Executive Director. We are so thankful for Pauline Sumner's time with us and all that she did to improve The Montpelier Center and wish her the best at USO. Kelly is a native to the area with a background in education, teaching, marketing, networking and is a local entrepreneur. We are excited to have Kelly join our team!

I look forward to seeing you soon and thank you for your continued support!
